My soul is broken
 Streets are frozen
 I can't stop these feelings melting through
 And I'd give away a thousand days, oh
 Just to have another one with you
 What'd you say
 Well real life can wait
 (Real life can wait)
 I'm crushing my ways
 (Uh-huh)
 Playing in the sand
 (Me and you)
 Holding your hand

Cause I remember every sunset
 I remember every word you said
 We were never gonna say goodbye
 Say la-ta-ta-ta-ta
 Tell me how to get back to
 Back to summer paradise with you
 And I'll be there in a heartbeat
 Oh-oh
 I'll be there in a heartbeat
 Oh-oh

Yeah I remember sunny mornings
 And summer evenings
 Now you're right next to me
 And I am freezing
 Was it real?
 Or baby tell me, was I dreaming?
 How can you show me paradise,
 When I'm leaving?

Now my heartbeat is sinking
 Hope's shrinking
 When I try to speak no words
 Lip-syncing
 Hope this is not just wishful thinking
 Tell me that you care
 And I'll be there in a heartbeat
